

April 27, 2020

Dear Parent or Guardian,

Due to the COVID-19 pandemic, we were not able to complete the school based immunization mass clinic as previously scheduled.

At this time, we would like to offer students who are currently in Grade 6 an appointment at the Fort St John Health Unit to complete their immunizations. **Please call the Health Unit at 250-263-6000 to make an appointment as soon as possible.**

Write down your child's appointment date and time in the space below. You will not be receiving a written or phone call reminder.

**Please note in order to comply with physical distancing; only one parent will be able to accompany the student for their appointment.**
